# 5 Pre-K Admissions TRUTHS

## 1 All NYC children who were born in 2014 can apply to pre-K.

**True!** All children who live in NYC and were born in 2014, including students with disabilities and students whose home language is a language other than English, are eligible to apply to pre-K for the 2018-2019 school year.

## 2 Pre-K Admissions is not first come, first served.

**True!** All Pre-K Applications submitted by the March 30 deadline are treated the same according to each school's Admissions Priorities. All families who apply by the deadline will get a pre-K offer in May.

## 3 Students currently attending a preschool or 3-K for All program that also offers Pre-K for All still need to apply to pre-K by the deadline.

**True!** To secure a pre-K seat, submit a Pre-K Application. Being a current student grants a high priority at that program, but it does not guarantee a pre-K offer there.

## 4 Families who list more programs on their Pre-K Application are more likely to receive an offer to a program of their choice.

**True!** Putting more choices on your application makes your application stronger and increases the chances of getting an offer to a program on your application. Putting fewer choices on your application does not increase the chances of getting an offer to those schools.

## 5 Pre-K Finder is the most reliable, up-to-date place to find and learn about pre-K programs.

**True!** After this Pre-K Directory is printed, any new pre-K programs will be added to Pre-K Finder, and information about current programs may be updated.

 You can list up to 12 choices on your Pre-K Application, including schools across NYC.

 You may make changes to your Pre-K Application until the March 30 application deadline. This means you can submit your application early and make changes later.

 If your child has an Admissions Priority as a current student, a sibling of a current student, or part of a family that receives social services at any pre-K program, be sure to note that priority on your Pre-K Application!

 Use the "Who Got Offers Last Year?" section of the directory page for each program you are interested in to see which groups of applicants got offers to that program last year.

 Use Pre-K Finder on your desktop or mobile device at [maps.nyc.gov/prek](http://maps.nyc.gov/prek) to discover pre-K programs near you and across the city. Learn about each program's location, hours, features, family-community ties, and more.

Dear NYC Families,

Every New York City four-year-old can get a great start in their education with Pre-K for All.

In pre-K, your child will learn new words, build their social skills and relationships, and gain the foundation they need for kindergarten and beyond. Every program is held to the same high standards and must adhere to all NYC quality expectations.

**This year, the Pre-K Application opens on Monday, February 5, 2018.**

Families can apply to programs at NYC Department of Education district schools, Pre-K Centers, and full-day NYC Early Education Centers (NYCEECs) using a single Pre-K Application. We encourage you to review the program information available in this Pre-K Directory, as well as new programs that will be listed on Pre-K Finder ([maps.nyc.gov/prek](http://maps.nyc.gov/prek)), before you complete your application.

**The deadline to submit your Pre-K Application is Friday, March 30, 2018.** You can apply online at [schools.nyc.gov/ApplyOnline](http://schools.nyc.gov/ApplyOnline), by phone at **718-935-2009**, or in person at a Family Welcome Center.

We look forward to helping you through the Pre-K Application process and partnering with you as your child embarks on their educational journey.

Sincerely,

Mayor Bill de Blasio  
Chancellor Carmen Farina

## 1.0 Learn About Your Pre-K Options

New York City offers every four-year-old child a free, full-day, high-quality pre-K seat through the Pre-K for All program. All children born in 2014 are eligible to enter pre-K in September 2018. Pre-K programs run five days a week from September through June. Most are full-day, or six hours and 20 minutes long.

Apply to pre-K in the year your child turns four. Submit a Pre-K Application between **February 5** and **March 30, 2018** by phone, online, or in person at a Family Welcome Center (FWC). You can apply to up to 12 programs. In May, you will get one offer. Pre-register at the program to accept this offer.

### 1.1 Pre-K for All

In pre-K classrooms across New York City, teachers are helping children develop their minds and their sense of wonder. Pre-K for All gives children stronger math and reading skills in elementary school and a better chance at success in life. Studies show that early childhood education improves performance throughout a child's school experience.

In these high-quality programs, children are in a safe learning environment with opportunities to explore, create, and participate in engaging learning activities and to interact with other children and teaching staff. In Pre-K for All, schools and programs partner with the NYC Department of Education (DOE) to support all learners in creating strong foundations for success in school and beyond. Building on the strengths and diverse backgrounds that their students bring to the classroom, they support success for every child. Pre-K for All leaders and teachers are talented educators who meet the NYC DOE's qualification requirements.

### 1.2 Who Can Apply?

Your child must be a current New York City resident who was born in 2014 to start pre-K in September 2018. Pre-K Admissions is open to all students of this age, including current 3-K for All students, students with accessibility needs, students with disabilities, and students whose home language is a language other than English (learn more in **Section 7.0**), as well as students in temporary housing and students who move to New York City during the admissions process (learn more in **Section 6.3**). Students currently attending a 3-year-old program (including 3-K for All) at a location that offers Pre-K for All still need to apply to pre-K.

### 1.3 Students with Disabilities

Pre-K for All welcomes and serves all students with disabilities. Many students can get special education services at the same pre-K programs as general education students. Other families will work with their local Committee on Preschool Special Education (CPSE) to find a program that meets their child's needs. Learn more in **Section 7.3**.

### 1.4 Students Whose Home Language Is a Language Other Than English

There are a range of pre-K program options for children who are native speakers of any language. These programs offer supports in English and a language other than English. Learn more in **Section 7.2**. District schools and NYCEECs may have other pre-K options for children who do not speak English at home. Please contact schools and NYCEECs directly for more information about available services and programs that meet your child's specific linguistic needs. No program may deny admission, registration, or enrollment to a student based on the student's fluency or perceived fluency in English.

## 1.5 Pre-K Program Types

---

You can apply to three types of pre-K programs on your child's Pre-K Application.

- 1. District Schools.** Some public district elementary schools offer pre-K programs. These schools' principals oversee pre-K, too.
- 2. Pre-K Centers.** Unlike district schools, Pre-K Centers offer only pre-K. NYC DOE staff run these centers. Programs at Pre-K Centers are located either in existing district school buildings or at standalone DOE sites.
- 3. NYC Early Education Centers (NYCEECs).** These are community-based organizations or school-based providers that contract with the NYC DOE or Administration for Children's Services (ACS) to provide pre-K. Carefully evaluated and selected, these programs are supported by the DOE's Division of Early Childhood Education.

Your child may have priority to attend pre-K at certain programs in district schools, Pre-K Centers, or NYCEECs in the district where you live and/or where their siblings go to school. NYCEECs also give priority to children from families who get free or subsidized social services from the organization that runs the center. Learn how each program type prioritizes applicants in **Section 4.0**.

---

## 1.6 Pre-K Charter Schools

---

Pre-K programs at charter schools are listed in this directory but have a separate application process. If you would like to apply for pre-K at a charter school, please contact the charter school directly to learn about their enrollment and admissions.

Charter schools are free public schools that are open to all NYC students and that operate independently from the NYC Department of Education. Instead, charter schools operate under a performance contract, or charter issued by a New York State authorizer. Charter schools are held accountable for meeting specific academic goals and often try different approaches to ensure their students meet those goals. Any student eligible for admission to a traditional district school is eligible for admission to a public charter school in NYC.

## 2.0 Understand the Pre-K Application

The Pre-K Application has six parts.

### 2.1 Student Information

Let's look at parts 1-4 of the paper application.

**Part 1** Provide information about your child, including your current address and contact information.

**Part 2** Fill out this section if your child has any siblings who are also applying to pre-K. If you are submitting the paper application at a FWC, remember to complete a separate application for each child, or if you are applying online, remember to include both names on the application.

**Part 3** Fill out this section if your child has any siblings currently pre-registered or enrolled in any district school or NYCEEC listed on this application. Your child may have a priority to attend pre-K at that program.

**Part 4** Read this section carefully and answer whether or not your child has an accessibility need. If you answer "yes," choose which option best describes your child's needs. This question will not be used for initial admissions decisions.

**NYC Department of Education**

**Part 5** List programs in your true order of preference.

Include the program code for each pre-K program. Find program codes in this directory's program pages. Some pre-K sites have more than one program. Be sure to use the correct program code. Use this section to tell us whether your child should get a current student or social services priority at a certain program.

Fill out this section if you are applying to Dual Language or Enhanced Language Support programs.

**Part 6** Be sure to sign and date this section before submitting a paper Pre-K Application.

### 5 PRE-KINDERGARTEN PROGRAM LIST

You may list up to 12 New York City pre-Kindergarten programs on this application. Please list your programs in your order of preference. Putting more choices on your application makes your application stronger, and increases the chances of getting an offer to a program on your application.

For each choice you make you must enter the:

- Program Name and Program Code
- Please note: If the site has a Dual Language program and a general education program, and you wish to apply to both, you must list each program separately.
- Current Student Priority Information. Check the box if your child currently attends a NYCEEC or 3-K for All program listed as an application choice below.
- Social Services Recipient Priority Information. Check the box if your family currently receives free or subsidized social services from a NYCEEC program listed as an application choice below.

If you want to apply to a dual language program, be sure to list the correct program code. Program codes are available in the *2018 New York City Pre-K Directory*.

Enhanced Language Support programs at NYCEECs offer additional supports to enhance language development in the home languages spoken by students. Please answer all three questions below if you have listed a Dual Language or Enhanced Language Support program on this pre-Kindergarten application.

**Do you have other children born in 2014 who are applying to pre-Kindergarten for September 2018?  Yes  No**

If yes, and you want your children to attend the same program, you must 1) complete a separate application for each child and 2) enter each child's information below. Applicants must have the same programs listed in the same order on their applications to be placed together.

If no, leave this section blank.

Include siblings (including step-siblings, foster siblings, and half-siblings) who live in the same household as the applicant.

**3 SIBLING INFORMATION**

**Does your child have one or more siblings who will be attending any of the district schools or New York City Early Education Centers (NYCEECs) on this application in September 2018?  Yes  No**

If yes, enter the information for each of these siblings below. Please do not include siblings listed in Section 2. If no, leave this section blank.

For district schools, your child will receive priority for admission if the sibling(s) is currently pre-registered or enrolled at the school and will be in grades K-5 at the school in September 2018.

For NYCEECs, your child will receive priority if a sibling aged birth – grade 12 will be enrolled in a program at the same NYCEEC for September 2018.

## 4 ACCESSIBILITY NEED

If your child has a physical impairment that makes it difficult to stand, walk, and/or use stairs, your child may require an accessible school. Please note that if your child requires an accessible school, you must provide documentation of accessibility need from a licensed doctor or 4410 provider. Someone from the DOE will contact you to request this documentation. **Note:** Disabilities related to hearing, vision, or temporary conditions (e.g. a broken leg) are handled through separate processes. Email ESEnrollment@schools.nyc.gov with questions.

**Does your child have an accessibility need?**  Yes  No (If yes, choose the best response from the options below)

- My child requires access to an elevator or lift because my child uses a wheelchair.
- My child requires access to an elevator or lift because my child uses a walker or other mobility device.
- My child requires access to an elevator or lift because it is impossible or very difficult for my child to use stairs.
- My child does not require access to an elevator or lift, but requires extra time and/or assistance to use stairs.
- My child does not currently have any of the above needs, but has been diagnosed with a serious condition that may limit his or her mobility before finishing elementary school.

## 5 PRE-KINDERGARTEN PROGRAM LIST

You may list up to 12 New York City pre-Kindergarten programs on this application. Please list your programs in your order of preference. Putting more choices on your application makes your application stronger, and increases the chances of getting an offer to a program on your application.

**For each choice you make you must enter the:**

- Program Name and Program Code
- Please note: If the site has a Dual Language program and a general education program, and you wish to apply to both, you must list each program separately.
- Current Student Priority Information. Check the box if your child currently attends a NYCEEC or 3-K for All program listed as an application choice below.
- Social Services Recipient Priority Information. Check the box if your family currently receives free or subsidized social services from a NYCEEC program listed as an application choice below.

If you want to apply to a dual language program, be sure to list the correct program code. Program codes are available in the *2018 New York City Pre-K Directory*.

## FOR DUAL LANGUAGE & ENHANCED LANGUAGE SUPPORT PROGRAM APPLICANTS ONLY

Dual Language programs provide instruction in two languages (half in English, half in the program's target language), with the aim of enabling all students to become bilingual. Enhanced Language Support programs at NYCEECs offer additional supports to enhance language development in the home languages spoken by students. Please answer all three questions below if you have listed a Dual Language or Enhanced Language Support program on this pre-Kindergarten application.

**What is your child's home language?**  English  Program's target language (circle one below)

Arabic | Bengali | Chinese | French | Haitian Creole | Korean | Russian | Spanish | Urdu | Other: \_\_\_\_\_

**How well does your child speak and understand English?**  Not at all  Only a little  Very well

## 6 PARENT/GUARDIAN NAME & SIGNATURE

Applications must be signed and dated

**By signing this form, I certify that I am the parent/guardian of the applicant(s), that the applicant(s) and I live at the same address as listed on this form, that the applicant(s) was born in 2014, that I understand the placement process, and that I am authorized to submit this application on behalf of the applicant(s). I understand that if I do not reside at the address provided on this application, I may lose my child's offer.**

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## 2.3 How to Submit Your Application

You can submit your child's Pre-K Application one of three ways.

### Online at [schools.nyc.gov/ApplyOnline](http://schools.nyc.gov/ApplyOnline)

**1**

- This option is available 24 hours a day.
- The deadline to apply online is **Friday, March 30, 2018 at 11:59pm**.
- Apply in English, Spanish, Chinese, Bengali, Russian, Arabic, Urdu, Haitian Creole, Korean, and French.
- Families who apply online must use their own email address. If you do not want to create an email address or do not wish to provide your email address, please apply over the phone or in person.

### By phone at 718-935-2009

**2**

- Call **Monday through Friday 8am-6pm**.
- The deadline to apply by phone is **Friday, March 30, 2018 at 6pm**.
- Apply by phone in over 200 languages. If you speak a language other than English, ask for an interpreter.

### In person at a Family Welcome Center (FWC)

**3**

- FWCs are open **Monday through Thursday 8am-5pm**, and **Friday 8am-3pm**. The deadline to apply in person is **Friday, March 30, 2018 at 3pm**.
- Apply in person in over 200 languages. If you speak a language other than English, ask for an interpreter.

Even after you submit your application, you can edit and add choices until the application deadline.

Submit only one Pre-K Application per child.

Only a child's primary custodial parent/guardian can submit their Pre-K Application. In the case of a joint custody agreement, if there is no specific provision addressing school decision-making, the parent or guardian who has primary physical custody of the child during the school week is considered to be the custodial parent or guardian.

Pre-K Admissions is not first come, first served. All applications submitted online, by phone, or in person by the **March 30, 2018** deadline are treated the same based on Admissions Priorities. Learn more in **Section 4.0**.

## Stop & Learn

Have you decided where to apply? Before you submit your child's Pre-K Application, learn about their pre-K options—browse the program pages of this directory and learn how to read a program page in **Section 3.0**.

## 3.0 Learn About Pre-K Programs

When you complete the Pre-K Application, you are applying to pre-K programs. Most pre-K providers offer only one program called a full-day program. However, some pre-K programs may also offer a half-day program or a Dual Language program in another language. Each full-day program, including Dual Language programs, has its own program code. On your Pre-K Application, you will list the pre-K program and program code for each of your choices.

Use this Pre-K Directory to research your pre-K options. This directory lists all the pre-K programs in this borough for the 2018-2019 school year. Programs are listed by district. At the beginning of each district section, a map shows the location of all pre-K programs in that district, including charter school pre-K programs.

As decisions are made to add new programs, the list of pre-K programs available may change.

Check Pre-K Finder ([maps.nyc.gov/prek](http://maps.nyc.gov/prek)) for the most up-to-date pre-K program listings and information. Use School Search ([schools.nyc.gov/SchoolSearch](http://schools.nyc.gov/SchoolSearch)) to find your school district.

### 3.1 Program Information

Each entry in the program pages of this Pre-K Directory provides information about the pre-K program or programs offered at a particular site. Here is what a sample Pre-K Directory entry on a program page looks like:

Use location information to consider what your child's daily commute would be like.

Learn the program's hours and whether extended hours (early drop off or late pick up) are available.

Find out how many pre-K seats were offered last year to get a sense of the program's size.

Keep in mind that programs may offer a different number of seats this year. Check Pre-K Finder ([maps.nyc.gov/prek](http://maps.nyc.gov/prek)) for the most up-to-date seat information.

Learn if the program requests that students wear a uniform.

Use a program's contact information to call or email with any questions.

### 3.2 Programs Offered

This part of a program page entry provides information about a pre-K site's program or programs, including specific program codes.

Use this section to find the program codes for the programs you list on your Pre-K Application. If there is more than one program at a site (for example, Dual Language), be sure to write the correct code. There may also be two programs with similar names in different locations, so make sure you check the address to be sure and write the program code carefully.

Learn which priority groups of students got an offer to this program last year. Learn about these groups and your chances of getting an offer in **Section 4.0**.

Learn additional information about the program in the notes section.

Half-day, 5-hour, and charter school programs do not have a program code because they are not part of the Pre-K Application—contact these programs directly to apply.

### 3.3 Program Notes

Here are some notes you might see in a program page entry.

- **If your child has an IEP recommending Related Services and/or SEIT, contact the program directly for more information before applying.** This program may only have Special Class in an Integrated Setting classrooms. Due to classroom ratio requirements, children recommended for Special Education Itinerant Teacher (SEIT) and/or Related Services may not be able to enroll in these programs. Learn more in **Section 7.3**.
- **Magnet School.** A magnet school is a public school that offers a schoolwide curriculum designed around a specific theme. A number of schools have the word "magnet" in their school's name, but only those schools that got Magnet Schools Assistance Program (M.S.A.P.) funding will be designated as "Magnet School" in a note.
- **Diversity in Admissions.** Through the Diversity in Admissions initiative, some programs give priority to students who are eligible for Free or Reduced Lunch (FRL), students whose home language is a language other than English, students in the child welfare system, and/or families impacted by incarceration. For more information, please visit [nyc.gov/PreK](http://nyc.gov/PreK).
- **May utilize flexible scheduling policy.** NYCEECs have some flexibility in how they choose to schedule program hours. A NYCEEC may choose to schedule program hours on weekends and/or holidays in addition to required weekday hours. Some providers may schedule a short break in the middle of the day for optional non-program activities. Families who wish their children to participate in these activities must give written approval. Please contact programs directly to learn about their scheduling policies.
- **Single-Gender Classrooms.** Some NYCEECs offer single-gender classrooms, either as part of a single-gender program or within a multi-classroom program that serves all genders. Any programs that offer single-gender classrooms are noted in this directory. Before completing your application, please contact these programs directly if you have any questions about the single-gender nature of their classrooms.
- **May have income or other eligibility requirements.** Some NYCEEC programs have eligibility criteria related to household income, home address, government services received, and/or childcare needs. Some NYCEEC pre-K programs get Head Start and/or Child Care funding from the NYC Administration for Children's Services (ACS). Other programs may get Head Start funding directly from the federal Administration for Children and Families' Office of Head Start.

Use Pre-K Finder or the program page entries in this directory to learn which NYCEECs have additional eligibility criteria in some or all classrooms. NYCEEC programs that get this additional funding may also provide free or low-cost extended day services to eligible families. Full-day pre-K is free and available to all NYC four-year-olds, but programs with ACS EarlyLearn contracts (Child Care funding) that provide extended care hours may require a fee due to the subsidized wrap-around services provided. These extended care hours are typically until around 6pm.

Contact NYCEEC programs directly before completing your Pre-K Application to find out about additional eligibility requirements for enrolling your child, what schedules are offered, including the first day of services, and whether there are any fees associated for subsidized services. Only apply to these programs if you believe your family will meet their eligibility criteria, which you can check by calling the program directly. You can also check if you are eligible for ACS programs by visiting [nyc.gov/CCE](http://nyc.gov/CCE) or calling **311**.

If your child is currently enrolled in one of these programs as a three-year-old, consider applying to this same site for pre-K. You must apply in order to get an offer to attend that program or another program. If you get an offer to one of these programs, you will need to provide documentation verifying your eligibility in order to accept the offer, as well as the required documents necessary to pre-register for pre-K.

If your child already attends a Head Start program, they will continue to remain eligible for Head Start services when they turn four. Similarly, families with an active child care subsidy case remain eligible for one year, after which they must recertify their eligibility through ACS.

### 3.4 Program Quality

The Pre-K Quality Snapshot contains information about program quality. It can help you understand different aspects of quality at each Pre-K for All program across New York City. Snapshots contain data from program assessments and from the NYC School Survey. You can view any pre-K program's Snapshot in Pre-K Finder:

1. Visit [maps.nyc.gov/prek](http://maps.nyc.gov/prek) on any device.
2. Click on the pre-K programs that you'd like to learn more about.
3. Click on "Pre-K Snapshot."

This links to the program's Pre-K Quality Snapshot

We encourage you to learn more by visiting pre-K programs, asking teachers and leaders questions, and talking to community members and other families about their experiences in pre-K. For additional information on the Pre-K Quality Snapshot, visit Pre-K Finder ([maps.nyc.gov/prek](http://maps.nyc.gov/prek)).

Use a program's Pre-K Quality Snapshot to build a list of questions to ask when you visit a center or school. You can ask questions like: 1. What are you most proud of about your program? 2. What is your program working on improving? 3. How will teachers help my child learn and make friends? Learn more about visiting programs in [Section 5.2](#).

## 4.0 Know Your Chances of Getting an Offer to One of Your Top Choices

All NYC children born in 2014 are eligible to participate in Pre-K for All. Three main factors play a role in how pre-K programs make offers to students applying to pre-K.

### 4.1 Choices on the Application

The programs that you list on your Pre-K Application and the order in which you list them help determine where your child goes to pre-K.

1. Find up to 12 programs that you would like your child to attend.
2. List your program choices and their program codes in order from your favorite to least favorite, with your favorite program in row 1. Your child will get an offer to the pre-K program that is your highest possible choice taking into consideration the other factors discussed in this section. If your child does not get an offer to any of the programs listed on your application, you will get an offer to the closest possible program with seats remaining.

Some pre-K sites offer more than one program, so be sure to list the correct program code on your Pre-K Application. Some programs have similar names and codes to programs in other boroughs. Check to make sure your program code begins with the correct district number and the letter X for the Bronx, K for Brooklyn, M for Manhattan, Q for Queens, or R for Staten Island. For example, **17K001** would be in District 17 in Brooklyn, and **25QAAA** would be in District 25 in Queens.

### 4.2 Seat Availability

Pre-K programs vary in size, and many programs have more applicants than seats. When a program can't make offers to all applicants, it makes offers based on which students have the highest Admissions Priority.

For example, a zoned district school would make offers to all of the applicants with zoned priority before making an offer to an applicant with out-of-zone priority.

### 4.3 Admissions Priority Types

Your child has a better chance of getting into some programs than others. A program's Admissions Priorities are the order in which they consider applicants for offers.

- Pre-K programs consider students in the first priority group first.
- If seats are available, they will consider students in the second priority group, and so on.

## Current Student Priority

If your child is currently in any 3-K for All or other three-year-old program and you want them to remain there for pre-K, be sure to mark “Current Student” at that program on your application. If there are more current student applicants for a program than there are seats, all of these current students still have current student priority at that program—offers will be made first to current students in the same Admissions Priority order listed in **Sections 4.4-4.6**.

## Sibling Priority

If your child has a sibling at a program that you list on your child’s Pre-K Application, your child may have a higher chance of getting an offer from that program. If you also have any older children applying to kindergarten for fall 2018 and you have not yet received your kindergarten offer, make sure to include each sibling’s information and the information of the school you would like them to attend together. Your pre-K aged student will receive sibling priority at the school where your older child(ren) get their kindergarten offer(s) if you have listed that school’s program on your Pre-K Application.

A sibling is defined as an applicant’s brother or sister, including half-brothers, half-sisters, step-brothers, step-sisters, foster brothers, and foster sisters who live in the same household. For district schools, this priority only applies when the child is currently pre-registered or enrolled in grades K-5 at that school and will be enrolled in grades K-5 at that school for the 2018-19 school year. For NYCEECs, sibling priority can be applied regardless of what grade a sibling attends at that program.

## Zoned Priority

Most families in NYC have a zoned school. This means that students who live in the zone, or area around a school have an Admissions Priority to attend that school. If you have a zoned district school that offers a pre-K program, your child has priority to attend that program.

## District Priority

Your child has an Admissions Priority to attend pre-K programs at district schools and Pre-K Centers in the school district where your family lives.

Find your district and learn if you have a zoned school that offers pre-K at [schools.nyc.gov/SchoolSearch](http://schools.nyc.gov/SchoolSearch).

## Who Got Offers Last Year?

The screenshot shows a table titled "Who Got Offers Last Year?" under the "NYCEEC" heading. It includes columns for "All", "Some", and "None". The data is as follows:

	All	Some	None
Current Students	★		
Siblings	★		
Families Receiving Services	★		
Other Students	★		

Below the table, a note states: "■ May have flexible schedules. Contact for more information."

Learn which groups of students got offers to this program last year to better know your child's chances of getting an offer

If a program made offers to a specific group of students last year, it may be able to make offers to this group again this year. For example, if a district school program made offers to in-district students who do not have siblings at the school, it's likely that they will be able to make offers to students in this priority group again.

The higher priority your child has to a program, the higher chance that your child will get an offer to that program. Many programs were able to give offers to other groups from their waitlist later in the spring and summer. Learn about waitlist offers in **Section 6.2**.

## **4.4 Admissions Priorities for District Schools**

---

### **Zoned Schools**

Pre-K programs at zoned district schools make offers to students in the following order:

1. Students who currently attend 3-K for All at the school\*
2. Students who live in the zone who will have a sibling at the school
3. Students who live in the zone who won't have a sibling at the school
4. Students who live in the district who will have a sibling at the school
5. Students who live outside the district who will have a sibling at the school
6. Students who live in the district who won't have a sibling at the school
7. Students who live outside the district who won't have a sibling at the school

### **Non-Zoned and Choice Schools**

Some district schools in New York City do not have zones. These are called non-zoned schools.

In three districts—District 1 (Lower East Side, Manhattan), District 7 (South Bronx) and District 23 (Brownsville, Brooklyn)—there are no zoned schools. All of the district schools in these districts are called choice schools, and students have priority to attend all schools in the district where they live.

Pre-K programs at both non-zoned and choice schools make offers to students in the following order:

1. Students who currently attend 3-K for All at the school\*
2. Students who live in the district who will have a sibling at the school
3. Students who live outside the district who will have a sibling at the school
4. Students who live in the district who won't have a sibling at the school
5. Students who live outside the district who won't have a sibling at the school

## **4.5 Admissions Priorities for Pre-K Centers**

---

Pre-K programs at Pre-K Centers make offers to students in the following order:

1. Students who currently attend 3-K for All at the Pre-K Center \*
2. Students who live in the same district as the Pre-K Center
3. Students who live outside the district

\* This Admissions Priority is pending approval by the Panel for Educational Policy. For updates, visit [nyc.gov/PreK](http://nyc.gov/PreK).

## 4.6 Admissions Priorities for NYCEECs

---

Pre-K programs at NYCEECs make offers to students in the following order:

1. Current students enrolled at the NYCEEC (for the 2017-2018 school year) in their three-year-old or 3-K for All program
2. Siblings of current students enrolled at the NYCEEC
3. Students whose families currently receive free or subsidized social services from the organization running the NYCEEC pre-K program
4. Students who speak a language other than English that the NYCEEC specializes in serving
5. All other students

Some NYCEEC programs may have eligibility criteria related to household income, home address, government services received, and/or child care needs. If so, there will be a note of this in that program's page in this directory. Contact NYCEEC programs directly to find out about additional requirements and to confirm that your child is eligible *before* completing your Pre-K Application. Learn more in **Section 3.3**.

### Stop & Learn

---

This is the end of **Section 4.0**. Complete the activity that follows to help you build a list of pre-K programs for your application.

---

## ACTIVITY

## Make a List of Your Pre-K Choices

Complete this activity to decide which programs to list on your Pre-K Application.

### Step 1: Explore pre-K programs

Use Pre-K Finder ([maps.nyc.gov/prek](http://maps.nyc.gov/prek)) on your desktop or mobile device and the program pages in this directory to learn about pre-K programs. Write down the names of programs that interest you.

---

---

For each program, is it near your home or convenient to your commute? How will your child get there each day?

---

---

### Step 2: Learn your chances of getting an offer to programs of interest

For each program you are thinking of applying to, answer the following questions:

1. Is your child currently in a program at the school or center that offers this pre-K program?  Yes  No
2. Does your child have any siblings who currently attend this program or school?  Yes  No

If so, what grades are they in now and what grades will they be entering in the fall of 2018?

---

3. If the program is a NYCEEC:

- a. Does your family receive any social services from the organization that runs the NYCEEC?  
 Yes  No
- b. Does your child speak a language other than English that this NYCEEC specializes in serving?  
 Yes  No

4. For each program of interest, turn to its program page in this directory. Look at the "Who Got Offers Last Year?" section of the program page.

- a. Which applicant group is your child in for this program? (*check the box below*)
- b. Which applicant groups got offers last year to this program? (*circle all that apply*)

## 5.0 Attend Pre-K Admissions Events

Most of the Pre-K Admissions process happens between December and March. Create an admissions calendar to keep track of the dates and times of Pre-K Admissions Events as well as open houses and tours.

### 5.1 Pre-K Admissions Events

Consider attending a Pre-K Admissions Event in **February 2018**. At these events, you can learn about the Pre-K Admissions process, find out how to fill out your application, and ask questions about programs. The Pre-K Admissions Events for different boroughs take place on different dates. Check the Pre-K Admissions website ([nyc.gov/PreK](http://nyc.gov/PreK)) to learn which date(s) to attend a Pre-K Admissions Event near you.

### 5.2 Program Visits

Visiting a program is the best way to explore how good a fit it may be for your child. It's also a great way to determine how your child can get to that program each day. Contact pre-K programs directly to find out if they have special events, open houses, or tours. The calendar on the Pre-K Admissions website (see URL above) is another way to find a program's open house dates.

Before you visit a program, prepare a list of questions for staff and current families about the program's learning environment and activities.

## 6.0 Get and Accept a Pre-K Offer

If you apply by the March 30th deadline, you will get your child's pre-K offer letter in **May 2018**. If you applied to pre-K online, you will also get your offer letter by email. This letter will also tell you if your child was placed on any waitlists.

### 6.1 Pre-Registration

Accept your child's pre-K offer by pre-registering at the program where you got an offer. Pre-registration by the deadline on your letter secures your child's pre-K seat at that program.

First, contact the program as soon as possible to set up a time to pre-register. Then bring your child and all required documents to pre-registration. Pre-registering at the program where you get your offer does not affect your chances of getting a waitlist offer from another program.

### Stop & Learn

Use the checklist that follows to make sure you bring everything you need to pre-register and accept your pre-K offer.

# PRE-K

## PRE-REGISTRATION CHECKLIST

Bring the following to accept your pre-K offer and secure your seat.  
Remember to pre-register by **June 2018**.

- The child that you are pre-registering
- Proof of your child's age (child's birth certificate, passport, or record of baptism)
- Any two of the documents below verifying proof of address
  - Lease agreement, deed, or mortgage statement for the residence
  - A residential utility bill (gas or electric) in the resident's name issued by a utility company (e.g., National Grid or Con Edison); must be dated within the past 60 days
  - A bill for cable television services provided to the residence; must include the name of the parent and the address of the residence and be dated within the past 60 days
  - Documentation or letter on letterhead from a federal, state, or local government agency, including the IRS, the City Housing Authority, the federal Office of Refugee Resettlement, the Human Resources Administration, or the Administration for Children's Services (ACS), or an ACS subcontractor, indicating the resident's name and address; must be dated within the past 60 days
  - A current property tax bill for the residence
  - A water bill for the residence; must be dated within the past 90 days
  - Rent receipt which includes the address of residence; must be dated within the past 60 days
  - State, city, or other government issued identification (including an IDNYC card), which has not expired and includes the address of residence
  - Income tax form for the last calendar year
  - Official NYS driver's license or learner's permit, which has not expired
  - Official payroll documentation from an employer issued within the past 60 days such as a paystub with home address, a form submitted for tax withholding purposes, or payroll receipt (a letter on the employer's letterhead is not adequate); must include home address and be dated within the past 60 days
  - Voter registration documents, which include the name of the parent and the address of residence
  - Unexpired membership documents based upon residency (e.g., neighborhood residents' association), which include the name of the parent and the address of residence
  - Evidence of custody of the child, including but not limited to judicial custody orders or guardianship papers; documents must have been issued within the past 60 days and include name of student and address of residence

**Note:** Students in temporary housing, as defined by McKinney-Vento, are not required to submit documentation (including address, proof of date of birth, and immunization) in order to enroll. Programs must provisionally pre-register the student and then work with the DOE Students in temporary housing Content Expert to get documentation.

## **6.2 Waitlist Offers**

---

Your child will automatically be added to the waitlist for any program you ranked higher on your Pre-K Application than the program where your child gets an offer. For example, if you get an offer from the program you listed third on your application, you would automatically get added to the waitlists for your first and second choice programs. In this example, if you pre-register at your third choice program where you got your offer, your child would still be able to get a waitlist offer at your first or second choice.

Waitlists use the same Admissions Priorities described in **Sections 4.4, 4.5, and 4.6**. Programs will contact a waitlisted family directly if they are able to offer their child a seat.

## **6.3 Students Who Move During the Admissions Process**

---

Families who move to NYC during the Pre-K Admissions process can call **718-935-2009**, visit a Family Welcome Center (FWC), or email **ESEnrollment@schools.nyc.gov** for help with getting a placement for your child. FWC locations are located on the inside back cover of this directory.

Current residents who move to a new NYC address during the Pre-K Admissions process can call **718-935-2009** or visit a FWC to update your information and talk about changes to your Pre-K Application or program. Your child's priority to attend certain programs may change if you move.

## **6.4 What's Next? Kindergarten and Gifted & Talented**

---

During your child's pre-K year, you will apply to elementary school. There are two paths to Elementary Admissions:

- 1. Applying to kindergarten.** This process is similar to applying to pre-K. All families submit a Kindergarten Application by phone, online, or in person at a FWC. You can apply to up to 12 schools, and you will get one kindergarten offer. Learn more at [schools.nyc.gov/Kindergarten](http://schools.nyc.gov/Kindergarten).
- 2. Optional: Testing to apply for Gifted & Talented (G&T) programs.** Gifted & Talented programs begin in kindergarten. Interested families sign up online or in person at a FWC to take the G&T Test. Learn more at [schools.nyc.gov/GT](http://schools.nyc.gov/GT).

# **7.0 Meet Your Child's Needs**

---

## **7.1 Accessibility**

---

The NYC Department of Education is committed to providing students with accessibility needs with a pre-K placement that allows them to access all relevant programs and services.

For students enrolled in a general education pre-K program, please note that accessible school placements are made *after* the Pre-K Admissions process. Accessible school placements are based on documentation that details the particular needs of the child. For the purpose of school accessibility, a student with accessibility needs is one who utilizes a mobility device—such as a wheelchair, walker, crutches, or cane—to negotiate the environment, or any student who negotiates the school environment with difficulty and/or at a slower pace than his/her peers, whether it is due to muscle weakness, lack of endurance, or any other reason.

Accessible schools or programs are located in a fully accessible building or a partially accessible building where an individual with accessibility needs may enter and access all relevant programs and services. In some cases, programs may need to be relocated to accommodate access. At least one restroom is accessible.

All District School or Pre-K Center programs that are considered accessible are labeled as Fully Accessible or Partially Accessible in this directory. For more information about whether specific NYCEEC programs are accessible, please contact these programs directly.

For more information on accessibility and Department of Education programs, including definitions of fully accessible and partially accessible buildings, visit [schools.nyc.gov/Offices/OSP/Accessibility](http://schools.nyc.gov/Offices/OSP/Accessibility).

## 7.2 Students Whose Home Language Is a Language Other than English

The DOE provides a range of pre-K program options to ensure that all children gain foundational language, literacy, cognitive, and social emotional skills, including children whose home language is a language other than English. Some programs offer supports in English and a language other than English known as the target language. Below you will find an overview of these types of programs.

### Dual Language (DL)

In a Dual Language (DL) program, students are taught in two languages: English and their home language. The program is designed to ensure both English Learners and English proficient students develop high levels of English and target language proficiency and literacy, as well as academic competency in both languages. To create rich context for learning, languages are separated by time blocks in classrooms that are organized to create focal points for target language and English instruction. If you apply to these programs, you will be asked to provide your child's primary language spoken at home, as well as how well your child speaks both English and the target language. These questions may be used to place applicants.

Pre-K programs that offer Dual Language options will be noted in the program pages of this directory, in Pre-K Finder, and in the online Pre-K Application. If a program offers both a Dual Language option and a general education option, and you wish to apply to both, you must list each program code on your application.

### Enhanced Language Support (ELS)

Enhanced Language Support (ELS) programs offer additional supports for children whose home language is a language other than English, and for their families. These programs incorporate the language other than English most commonly spoken by children and families known as the target language in a variety of ways. These may include the use of the target language during story time, music and movement, center time, or activities. Families are regularly encouraged to share language, stories, food, music, and additional aspects from their culture. The classroom may have schedules, music, and books, in the target language readily accessible.

At least one staff member who speaks the program's target language is regularly available on site to meet with families and provide additional supports. Please contact the site directly to confirm which staff members speak and support the target language.

Programs with Enhanced Language Support tailor their support to children who speak the program's target language. If you apply to these programs, you will be asked to provide your child's home language. This question will be used to prioritize applicants.

Programs that offer Enhanced Language Support will be marked in the online Pre-K Application and in Pre-K Finder with information about which target language is supported.

### Additional Language Support Options

District schools and NYCEECs may have other pre-K options for children who do not speak English at home. Please contact schools and NYCEECs directly for more information about available services and programs that meet your child's specific linguistic needs.

## **7.3 Students with Disabilities**

---

All families with children born in 2014, including preschool students with disabilities, may apply to pre-K programs for the 2018-2019 school year. Many pre-K students with disabilities can get their special education services at a general education pre-K program. Some families will work with their local Committee on Preschool Special Education (CPSE) to identify a program that meets their child's needs.

### **Students New to the Special Education Process**

Pre-K special education services are available for pre-K students with disabilities or delays in development that affect learning. These services are provided free of charge. If your child is showing delays, you can contact your CPSE to request an evaluation to see if your child is eligible for special education services.

The CPSE is responsible for coordinating the special education process for children ages three to five. There are 10 CPSEs in different areas of the city that work with families in the district where the family lives. Each CPSE is part of a larger Committee on Special Education (CSE) office. To find your district, call **311** or use School Search ([schools.nyc.gov/SchoolSearch](http://schools.nyc.gov/SchoolSearch)).

### **Children Who Already Have IEPs**

If your child has an IEP, enrollment in a pre-K program is based on his or her IEP recommendation. To find your child's recommendation, refer to the Recommended Special Education Programs and Services section of his or her IEP. If you still have questions, please contact your CPSE.

### **Children with IEPs that Recommend Special Education Itinerant Teacher (SEIT) and/or Related Services**

- Your child can get these services at a NYC Department of Education (DOE) general education pre-K program (district school, NYCEEC, Pre-K Center, or charter school).
- You should apply to pre-K using the application process found in this directory.
- Due to classroom ratio requirements, children recommended for SEIT and/or Related Services may not be able to enroll in programs that have only Special Class in an Integrated Setting classrooms. To find out whether a particular program has only Special Class in an Integrated Setting classrooms, review the program lists in this directory or call programs directly. See **Section 3.3** for more information.

### **Children with IEPs that Recommend Special Class or Special Class in an Integrated Setting**

- You should work with your local CPSE to find an appropriate placement in a pre-K special education program.
- The application process discussed in this directory does not include enrollment in these settings.
- Contact your CPSE if you have any questions about your child's placement.
- You may choose to apply to a pre-K program found in this directory if:
  - Your child is reevaluated by the CPSE and the new IEP recommends SEIT and/or Related Services.
  - You would like your child to attend a DOE general education pre-K program before or after his or her special education program (full day or half day). Contact your CPSE to enroll in the preschool special education program and contact the Division of Early Childhood Education at **prekfamlyengagement@schools.nyc.gov** or **212-374-0351** for more information about participating in a general education pre-K program for the remainder of the day.

## **7.4 Transportation**

---

In New York City, enrollment in a pre-K program does not include school bus service.

Only students who are eligible for specialized transportation will get bus service.

Students in temporary housing (STH) qualify for free MetroCards. Families can request MetroCards from their DOE Family Assistants.
